A Message From the Headteacher Ms Thackaberry

Happy New Academic Year to all our returning students & parents / carers and welcome to the Penn Fields family to all our new students & parents / carers. It has been an exciting start to the year, being able to welcome back all of our students has been a joy and we have also been able to welcome a number of new staff members to the team. The last six months have been challenging for us all, not always being able to see family members, friends and go about our day the way we would like to. I can't stress enough, how important it is to follow both national and local guidance around Covid19; this will support the safe keeping of us all. Here at Penn Fields, we have been very busy introducing control measures to ensure the safety of both our students and staff - these measures can be found on the home page of the website within the letters to parents. Over the summer, there was extensive building work that took place extending the height of the glass panels, to enhance the safety within the communal areas of the school. The completed work looks incredible and I have included some photos on the next page.
